## Eligibility Requirements

1. That the student be a U.S. citizen seeking a baccalaureate degree in the field of electrical engineering, computer science, or other related technical fields.
2. That the student shall have successfully completed two or more years towards his/her selected degree.
3. That the student have a permanent residence in the greater New York City area. The student shall also be enrolled in an accredited college or university within that geographical boundary.
4. That the student not be denied a scholarship award based on race, color, creed, sex, national origin, or physical handicap.
5. That the student shall be selected on the basis of academic achievements and/or financial need.
6. That the student selection be made by the educational institution in which the student is enrolled. No individuals involved in the selection process shall be a member of the Association of Old Crows.
7. The educational institution shall publicly announce the availability of the scholarship award of the Metropolitan Club. The publicity afforded this scholarship program shall be the same as that afforded all other scholarship programs administered by the educational institution.
8. The attached student data form, or equivalent shall be used by the educational institution for scholarship applicants to assure non-discriminatory evaluation of student applications.
9. Scholarship awards shall be paid to the financial institution for transfer to the students account. The award shall be used to satisfy tuition and educational fee obligations only. The award shall be granted to the recipient over and above any other scholarship award in effect. If for any reason the selected student cannot use the scholarship award for satisfying the stated obligations or no longer satisfies the eligibility requirements, the educational institution shall return the remaining funds to the Metropolitan Club for subsequent award.
10. The educational institution shall notify the Metropolitan Club whom they have selected as a scholarship candidate and shall provide the club with biographical information.
